The Western States Corrosion Seminar will celebrate its 2nd year at the Doubletree by Hilton!

The WSCS is actively seeking exhibitors for this year's seminar. Companies interested in exhibiting their products or services have an excellent opportunity to meet their future customers. Open on Tuesday and Wednesday, the exhibit hall is the main gathering place during morning and afternoon breaks. (That's where we put the refreshments). **We also hold drawings during each break to increase the number of students in the exhibit hall.**

The Tuesday evening social hour will be held in the exhibition hall. Beer, wine and snacks will be available from 4:30 p.m. till 6:00 p.m.

Please help this seminar have another successful year; we really do need your support. All exhibitor and sponsor company names will be prominently displayed at all functions, clearly indicating your participation and support of this non-profit educational program.

If your company cannot exhibit this year, please consider one of our sponsorships. A \$350.⁰⁰ donation will list your company's name on a large sign displayed in the exhibition hall and in the lounge during the social hour. Additionally, we will include your company name, logo, and website link on our website. We also offer Premier level sponsorships. For more information visit our website and click on the registration link for a list of sponsorship opportunities.
